

Texas Eagle Forum

December 2019

Dear Friends,

The American people are about to enter a critical presidential election year, and the sacred fire of liberty literally hangs in the balance. Will the American people give President Donald Trump four more years, or will they vote for a Democrat-Socialist who will take our country down the failed path of socialism/communism? The choice could not be more stark.

We are in the fight of our lives for our children and grandchildren to enjoy the freedoms we have known and cherished. In order to continue turning our nation around from the eight-year scandal-ridden previous administration, and its deeply entrenched “Deep State,” as well as to keep Texas conservative, we all must be engaged in the political process in 2020.

In addition to the presidential election, Texans running for Congress and statewide offices will be on the November ballot. Several long-time Texas senators and representatives have decided not to run for re-election in 2020, and **we are now only eight seats away from losing the Texas House and one seat away from losing our safe super-majority in the Texas Senate. It is vitally important that true conservatives fill those offices, and we retain a Republican majority in both Texas Houses.** Our 2019 Texas Legislative Scorecard, on our website, www.texaseagle.org, will help you discern the most conservative incumbents.

Texas Eagle Forum’s primary focus in 2020 will be to prepare for a special session, if called, and strategize for the 2021 regular session where we will continue to lead the fight to protect children in Texas from the harm of the transgender lobby. We will also identify and help elect pro-life, pro-family, fiscally conservative candidates to those offices. Plus, we will continue to stand in the gap and fight for your family and your values.

We cannot do it alone. We need your prayers and financial support. Your most generous gift will enable Texas Eagle Forum to:

- Help elect pro-life, conservative men and women to office.
- Work to implement the Lone Star Agenda (LoneStarAgenda.org).
- Train new grassroots activists to effectively lobby for our issues.
- Help our most effective activists with some of their travel expenses when they come to lobby in Austin.
- Produce sample resolutions to offer at local precinct conventions to keep the Party Platform pro-life, strong, and conservative.
- Publish our full-color newsletter, the *Torch*.
- Maintain our website with timely information on Texas politics.
- Keep you informed via email alerts, as well as on Facebook and our website, www.texaseagle.org.
- Inform people across this great State of the work we are doing via speaking engagements, media, and email.
- Maintain our Dallas office to handle mail and telephone calls.

(over, please)

I hope to raise \$30,000 by the end of the year so Texas Eagle Forum can continue to stand for the pro-life, pro-family values that you and I share and to meet the added challenges of the upcoming election year.

That is why your financial help is crucial. Please send your most generous year-end contribution to Texas Eagle Forum or Texas Eagle Education Fund (tax-deductible) in the enclosed envelope today. Working together, you and I can make a difference for Texas families and our country and keep the sacred fires of liberty burning.

As the year comes to a close and Texas Eagle Forum moves through our leadership transition, we would like to thank TEF President Trayce Bradford for a job well done in representing our conservative values for the past four years. She made sure our voices were heard, and our members were armed with great information as they made calls to their legislators. We pray the Lord will bless her as she begins a new chapter in her life.

As I step up to lead this wonderful **volunteer** organization, please feel free to reach out to me. My email address is ccastilla@sbcglobal.net. I have been blessed to work with Trayce and Cathie Adams for many years and have great admiration for these incredible Eagle leaders. I have loved leading Dallas Eagle Forum and now look forward to growing with Texas Eagle Forum. You make this a great organization!

May God bless you and your family as we celebrate the birth of our Lord Jesus Christ this joyous Christmas season!

Faithfully,

Cindi Castilla,
President of Dallas Eagle Forum

P.S. Texas Eagle Forum cannot do what we do without your support. If you have appreciated the Top 5 Action Alerts this session, our timely email and website updates, and *Torch* newsletter, we would greatly appreciate your ongoing financial support for what we believe to be an outstanding statewide organization of activists and leaders. Thank you!
